Chapter 1 by thatjacktansley

"So... You came?" the red scarfed man asked.

"What do you think, punk!?" the man opposite him said.

"Punk? Really? Petty insults don't hurt me." the scarfed man said again.

He snapped his fingers, before a flame appeared in his hand.

..."No hard feelings. Okay?"...

"So this is a fight now, hm?" the other man said. He too snapped his fingers, and a shard of crystal floated above him.

"Chain Reaction 57: Incinerator!" the scarfed man yelled. The flame in his hand grew bigger, before it blasted a concentrated beam of fire at the other man.

"Again! Chain Reaction 2: Magnitude!" Blades of rock shot up from the ground, each one hitting the other man, before the final one impaled him through the chest.

"Ngh..." the man struggled, holding his chest, before he burst into cyan shards of crystal.
